

NOTICE TO CLAIMANTS

The Liquidator of Choice Bank Limited has entered into a Paying Agent Agreement. The Agreement requires that the Agent demonstrates its ability to process wire instructions for a set of randomly selected approved claimants. The Agent will conduct due diligence (and enhance due diligence where necessary) on each of the randomly selected approved claimants prior to the release of the wire utilizing the Know Your Customer (KYC) documents already submitted by the approved claimants. Please note that this is **only a trial run** to finalize the process and to test the efficacy of the Agent. **Only after this trial period, and based on the results, will resumption of the first round of partial distributions occur.** Those claimants who were randomly selected will be contacted directly.
